

Dear Catholic Social Services Supporters,

Thanks to the generous support of people like you, Catholic Social Services was able to serve over 14,000 people in central and southern Ohio last year! We could not have made this impact in the community without you.

We invite you to join us, in person, for this year's Breakfast with the Bishop on Friday, September 23, 2022, from 7:00 AM–9:00 AM at the Renaissance Ballroom Columbus.

In the Catholic faith tradition, to read the “sign of the times,” is to reflect deeply and critically on what is happening around us so that we can respond in light of the Church’s message of love and faithfulness.

Over the last few years, the pandemic has exposed our human vulnerabilities. Driven by our faith to build a more just and compassionate community, we want to understand the challenges that were laid bare by the pandemic and respond with courage and righteousness.

Join Bishop Earl K. Fernandes, newly installed Bishop of the Diocese of Columbus, and a panel of experts in the fields of mental health, housing, and social services as we discuss the sign of the times to help us imagine and build a better future after the pandemic.

The proceeds of this event will provide crucial support for our 13 poverty-reducing programs. Our agency helps working-poor families stabilize and become self-sufficient through case management, mental healthcare, and emergency assistance. We help low-income seniors age with grace and independence through our supportive services and community-impact opportunities. Whether we are working with families or seniors, we know that poverty is complicated and requires holistic solutions.

Today, I am writing to ask you to make an investment in your community by partnering with Catholic Social Services. Enclosed, you will find an outline of sponsorship opportunities and benefits for this year’s Breakfast with the Bishop.

Your generous sponsorship will make a difference in each life we touch.

If you have questions or would like to reserve your table, please contact Julie Naporano, Senior Director of Development and Communications, at jnaporano@colscss.org.

Rachel Lustig
